Re: LightSquared Subsidiary, LLC  
Ex Parte Communication. IB Docket No. 11-109  
IBSF File No. SAT-MOD-20101118-00239

I am opposed to the LightSquared Subsidiary, LLC, should not be allowed to go forward until it is shown that their plan will not interfere with high-precision GPS. I am opposed to LightSquared's request (which ignores the recent independent test results) to affirm its license and its request to go forward with its plan".

Thank you for your consideration,

Daniel L. Johnson, Ma. Prof. Land Surveyor # 29642
